## MINIATURE ARCHITECTURE IN CERAMIC

### Gault Original

Gault Original are miniature ceramic houses made in France starting in the early 1980's. Jean-Pierre Gault is the artist who started it all and became a successful business through the investment and leadership of his brother Dominique. Collectors from around the world cherish the Gault Original houses.

### Did You Know?

A glass varnish for ceramic can be applied to a Gault Original house if for example the finish has faded to due exposure to sun over time.
